- Click the "Submit" button on the right side of the "Acknowledgment Form" section.
- You do not need to submit the "Faculty180 Vita" section.

To upload a **response** document:

- Outside of Interfolio/Facet, write the response and save the file.
- Either while viewing the evaluation or while on the "Shared Committee Files" tab, click "Send Response."

Explanation of Ratings Used in Annual Merit Evaluation

These ratings include an expectation of performance at rank, and are made relative to other faculty in the department or program at the same rank. 'Exceptional' is reserved for signature accomplishments such as the release of a major work or receiving an international/national award or grant.
