## Description

The Catholic Studies Minor is for students who want to learn about the rich intellectual and cultural traditions of the Roman Catholic Church during the past two millennia and study their impact on western thought.

The CS minor is a academic program, without confessional stance or episcopal oversight, driven throughout by the same spirit of independent scholarly inquiry Emory faculty have brought to the study of other religions and faith traditions.

## Concentrations

Minors are offered in the area(s) of: **Catholic Studies**. For details, see the Minor page for each area.
