Application Procedures: Bobby Jones Scholarship

IMPORTANT DATES AND DEADLINES - Application Year 2018-19

The Robert T. Jones, Jr. Scholarship, also known as the “Bobby Jones Scholarship,” was established in 1976 to honor the late Robert T. Jones Jr., an internationally renowned golfer, Emory alumnus, and extraordinary human being. The Scholarship provides a fully paid year of study for four Emory students at the University of St Andrews in Scotland. The Robert T. Jones Trust recognizes individuals who will be excellent representatives of Emory University at St Andrews. In general, the qualities required to fulfill this ambassadorship include academic excellence, a record of significant leadership, and exemplary character, integrity, and citizenship.

The Robert T. Jones, Jr. Scholarship is a university-wide scholarship that is open to students in any school. It can be awarded to graduating seniors or to graduate students who are in the early stages of their post-graduate work. In order to be a degree-seeking student, Scholars must meet all the admission criteria for that degree program. Bobby Jones Scholars who are not pursuing a degree are expected to propose a coherent academic plan, which may include either continuing work in their Emory field of study or pursuing subjects different from their Emory program. Whether seeking a degree or not, all Bobby Jones Scholars are required to take exams for the courses in which they are enrolled and send copies of their exam results to the Emory committee at the end of each term. Good academic performance is expected, and a failure to meet this condition is grounds for early termination of the scholarship. The St Andrews Prospectus, including a listing of programs and classes offered, may be viewed at the University of St Andrews website (http://www.st-andrews.ac.uk/courses/search).

Next steps:
Applicants will be notified whether they have been selected as finalists in early February. A Friday evening reception and Saturday interviews for finalists will be held in mid- to late February. Decision letters will be available the Monday following interviews.

National Scholarships & Fellowships Program (NS&FP), Emory University

NOTES

Consultation (Step 1)
Attend a Bobby Jones Info Session for overview of award and application process. Then make an appointment with a NS&FP advisor to discuss your eligibility and application competitiveness.

Application Form (Step 2)
Log in and begin an application in CollegeConnect (https://collegeconnect.emory.edu/apply/). This application will be available beginning November 26, 2018. In the meantime, you can review last year’s PDF application here: http://college.emory.edu/national-awards/documents/Bobby_Jones_Scholarship_Application.pdf

Recommenders (Steps 3 and 8)
Based on consultation with an NS&FP advisor, determine your three (3) recommenders. Contact these recommenders to confirm they are willing to write letters. Please have the three letters of recommendation submitted to the National Scholarships & Fellowships Program Office by January 17, 2019. The letters should be written by faculty or other mentors who know you well and can speak to your academic interests and achievements, service and leadership experience and abilities, potential to succeed in the proposed program at St Andrews, and/or ambassadorial qualities. Additional advice on recommendations is available on NS&FP’s Blackboard organization site, “National Scholarships & Fellowships Resources” in the “Bobby Jones Scholarship” section.

Instructions for recommenders:
The Bobby Jones Scholarship provides one year of study for four Emory University students (in any school) at the University of St Andrews in Scotland. Successful applicants have an outstanding academic record and a record of significant leadership in the Emory community and/or the Atlanta community. Letters should address the writer’s knowledge of the applicant in relation to the Scholarship selection criteria: an outstanding academic record; a record of significant leadership in the life of the Emory community and/or the Atlanta community, with the expectation that the applicant would be similarly involved in community life at St Andrews; excellent speaking and writing abilities; strong interpersonal skills; and academic and/or scholarly interests that can be pursued through the offerings at St Andrews. For more information about the award, click here.

- Electronic submission of letters is preferred. The applicant will register you in the CollegeConnect online application to request your letter. Please look for an email request from the Office for Undergraduate Education at hello@collegeconnectmail.emory.edu and follow the included link to upload your letter of recommendation as a PDF.
- Recommendations should be submitted no later than 4:00 PM, January 17, 2019.
Résumé (Step 4)
Use a CV format, rather than a job-seeking résumé format. As well as your school background, concentrate on listing things that relate directly to the scholarship (i.e. study abroad, independent research, academic awards and memberships, etc.). We would be happy to provide feedback on your résumé before the internal submission deadline. The Career Center also offers assistance with résumés and CVs. Additional advice on preparing résumés/ CVs, along with sample CVs, is available on NS&FP’s Blackboard site.

Outside Transcripts (Step 5)
If you have attended another college or university to take courses for credit (not including Emory sponsored study abroad), order an official electronic or hard copy of your transcript from that school. We require a transcript from other schools only IF the course names and grades are NOT listed individually on your Emory transcript. Have an official electronic copy sent to oue.nationalawards@emory.edu, or order a hard copy to be delivered by January 17, 2019 to:

Dr. Megan Friddle
Office for Undergraduate Education
White Hall, Suite 300
301 Dowman Drive
Atlanta, GA 30322

Personal Statement (Steps 6 and 9)
Draft a 500-800 word essay on the following topic:

Provide a narrative statement giving a picture of you as an individual. It may include your personal history, influences on your intellectual development, or educational and cultural opportunities you have had, and the ways in which those experiences have affected and shaped you.

Be prepared to allow ample time to write and receive feedback on multiple drafts. Additional advice on preparing the Personal Statement is available on NS&FP’s Canvas site.

St Andrews Program Proposal (Steps 7 and 9)
Draft a 500-800 word essay on the following topic:

Please explain your interest in the Bobby Jones Scholarship. Describe the academic program and other activities you wish to undertake at St Andrews.

Be prepared to allow ample time to write and receive feedback on your draft. Additional advice on preparing the Program Proposal is available on NS&FP’s Canvas site.

Internal Application Submission (Step 10)
Submit the application with your CV/résumé, your Personal Statement Essay, your St Andrews Program Proposal Essay and Consent Form at https://collegeconnect.emory.edu/apply/ by 4:00 PM on January 17, 2019.
