The Sam Bredow Memorial Fund was established to assist students in the Emory College of Arts and Sciences with a strong record of academic achievement who are in need of financial aid and who have demonstrated significant leadership within the Emory community and/or within one or more of the recognized Jewish organizations on the Emory campus.

Sam Bredow served as an advisor to Tau Epsilon Phi, Mu chapter, at Emory University for over 35 years. He was a friend and mentor to literally thousands of students, many of whom viewed him as a member of the family. An annual award has been set up by his friends and family to honor the memory of this man who gave so much to the university.

Next steps:
Applicants will be notified whether they have been selected as recipients by early April. Award recipients will be invited to a luncheon to meet the Bredow-Maziar family in late April or early May.

NOTES

Info Session/Consultation (Step 1)
Attend an Internal Award Info Session for overview of award and application process and review the materials available on Canvas. If you still have questions, you can make an appointment with an NS&FP advisor to discuss your eligibility and application competitiveness. Note that you must be planning to enroll as a student in the College for the next school year in order to be eligible for this award. Business, Nursing, and Allied Health students are not eligible for consideration at this time.

Application Form (Step 2)
Log in and begin an application in College Connect (https://collegeconnect.emory.edu/apply/). This application will be available beginning February 14, 2019. In the meantime, you can review last year’s PDF application here: http://college.emory.edu/national-awards/documents/Bredow_Application.pdf

Recommenders (Steps 3 and 8)
Select two (2) recommenders, one from someone who can speak to your academic achievements, and another who can discuss your campus engagement. Your letters should be written by faculty, administrators, coaches, or other mentors who know you well and can speak to your academic record and your involvement and leadership in the community. Contact these recommenders to confirm they are willing to write letters. Please have the two letters of recommendation submitted to the National Scholarships & Fellowships Program Office by March 7, 2019. Additional advice on letters of recommendation is available on NS&FP’s Canvas organization site, “National Scholarships & Fellowships Resources” in the “Bredow” section.

Instructions for recommenders:
Letters should address the writer’s knowledge of the applicant in relation to the scholarship selection criteria: outstanding academic record and demonstrated involvement and leadership within the Emory community and/or within one or more of the recognized Jewish organizations on the Emory campus.
- Electronic submission of letters is preferred. The applicant will register you in the College Connect online application to request your letter. Please look for an email request from the Office for Undergraduate Education at hello@collegeconnectmail.emory.edu and follow the included link to upload your letter of recommendation as a PDF.
- Recommendations should be submitted no later than 4:00 PM, March 7, 2019.

Résumé (Step 4)
As well as your school background, concentrate on listing things that relate directly to the scholarship (i.e. academic awards and memberships, leadership, community involvement, etc.). We would be happy to provide feedback on your résumé before the internal submission deadline. The Career Center also offers assistance with résumés and CVs. Additional advice on preparing résumés/ CV, along with sample CVs, is available on NS&FP’s Canvas site.
Outside Transcripts (Step 5)
If you have attended another college or university to take courses for credit (not including Emory sponsored study abroad), order an official electronic or hard copy of your transcript from that school. We require a transcript from other schools only IF the course names and grades are NOT listed individually on your Emory transcript. Have an official electronic copy sent to oue.nationalawards@emory.edu, or order a hard copy to be delivered by March 7, 2019 to:

Dr. Megan Friddle
Office for Undergraduate Education
White Hall, Suite 300
301 Dowman Drive
Atlanta, GA 30322

Personal Statement (Steps 6 and 7)
Write a 750 word essay on the following topic:

Tell us about an accomplishment, contribution, or experience that illustrates your commitment to leadership and service in the Emory community. How does this accomplishment relate to the person you are and your goals and aspirations for the future?

In brainstorming for this essay, think about the goals and interests you have had at Emory and how you have developed them, the extracurricular activities that have meant the most to you, whether you have plans for further education after Emory, any career or professional plans you have, and how these plans express your values and priorities. The essay should reflect your personality and give a sense of who you are.

Be prepared to allow ample time to write and receive feedback on a draft of your essay. Additional advice on preparing the Personal Statement is available on NS&FP’s Canvas site.

Financial Need Statement (Step 9)
The Bredow Fund Award is intended for students with unmet financial need. If you qualify for need-based financial aid, you do not need to submit any additional documentation. However, if you are not currently receiving need-based aid, please include a brief (1-paragraph) statement regarding the circumstances of your unmet financial need with your application materials.

Internal Application Submission (Step 10)
Submit the application with your Résumé, Personal Statement, Financial Need Statement (if applicable), and Consent Form at https://collegeconnect.emory.edu/apply/ by 4:00 PM on March 7, 2019.
