TECHNOLOGY REQUIREMENTS

MAY 15 Know Your NetID and Password
You received an email from the Office of Admission with your NetID and instructions on retrieving your password. Your NetID will be your log-in for many Emory systems.

MAY 15 Update OPUS with Personal and Family Emails
In your OPUS Account, click on the “Profile” tile. Under “Email and Phone Numbers”, the “home” address should be an account that is active over the summer. Please update any school-related addresses as many high school email accounts expire after graduation. Under "Parent/Guardian Addresses," please confirm the information listed is accurate. If needed, add additional addresses by clicking the "+" symbol in the top left corner.
→ LAUNCH OPUS

MAY 15 Log-in to Emory Email
Your Emory email account ‘alias’ is made up of your first and last name in OPUS (for example, claire.dooley@emory.edu). Once you arrive on campus you will have the ability to change your alias. Your alias is separate from your NetID (the combination of letters and numbers that is used to log-in to many Emory systems, for example, CDOOLEY18), which cannot be changed.
→ LAUNCH EMORY EMAIL

MAY 15 Set-Up Duo
DUO is an authentication system Emory uses to enhance security by prompting you to confirm your identity after logging into certain Emory systems. We recommend downloading the DUO app available in the App Store or Google Play store.
