WHAT TO EXPECT DURING MOVE-IN DAY

**Assistance will be available primarily from 9am - 1pm** (some assistance is still available outside of these hours) from students and staff unloading your belongings and retrieving your housing and orientation materials. If at any point you find needing additional assistance, a volunteer help station will be staffed in the Emory Student Center.

It is extremely helpful to **label all your belongings** with the provided luggage tags on page 6.

To ensure an efficient move-in process, it is important for you to **move your vehicle as soon as you unload your belongings**. You will be directed to relocate your vehicle from the drop-off area to one of our parking decks.

The average temperature for Atlanta in August is around 88 degrees fahrenheit, however, with the humidity and time of year it can feel much warmer. It’s important to **remain hydrated** throughout move-in and Orientation. We will provide water during Move-In and many of our signature events. It may also be a good idea to have an umbrella available during move-in.
