WHAT TO EXPECT DURING MOVE-IN DAY

Check-in at your specific Residence Hall. There you will receive your keys and relevant housing materials. Starting at 1pm you can pick up your Orientation Materials from the Emory Expo. If at any point you find needing additional assistance, a volunteer help station will be staffed in the Emory Student Center.

It is extremely helpful to label all your belongings with the provided luggage tags on page 6.

To ensure an efficient move-in process, it is important for you to move your vehicle as soon as you unload your belongings. You will be directed to relocate your vehicle from the drop-off area to one of our parking decks.

The average temperature for Atlanta in August is around 88 degrees fahrenheit, however, with the humidity and time of year it can feel much warmer. It’s important to remain hydrated throughout move-in and Orientation. We will provide water during Move-In and many of our signature events. It may also be a good idea to have an umbrella available during move-in.
THE MOVE-IN PROCESS: EXPLAINED

1. If arriving by car: ahead of arriving to Emory, place the Move-In Placard (provided on page 4) in your windshield. This will help Emory Police and Move-In staff best guide you to your drop-off location.

2. Arrive to campus, and using these materials and campus signage, find your way to your individual Residence Hall. There is a map provided on the following page to assist you in the navigation process.

3. Check-in to your residence hall and you will receive your key, Orientation materials, and a check-in checklist.

4. If needed: Re-locate your car from temporary unloading zones to a visitor parking area.

5. If needed: Pick-up packages from the Mail Center inside Few Hall (1st Floor).
