Preparing for Registration

Encourage your students to...

✓ Submit ALL AP/IB scores (Code: 5187)
✓ Submit previous college transcripts and evaluation form
✓ Explore department websites
✓ Review track advising presentations (if applicable)
✓ Search the Course Atlas (reminder: use filters)
✓ Load up their Shopping Cart
✓ Consider many possible schedules
✓ Keep an open mind!

</tr>
</tbody>
</table>

Prioritize based on interests and goals!
Students will complete at least 126 credit hours to graduate including:
- General Education Requirements (~43 credit hours)
- One major (34-64 credit hours)
- Elective Classes
- Optional: secondary major (34-64 credits) or minor (16-36 credits)

We want your students to explore!

In fact, we do not allow students to declare their majors during their first semester.

Students should aim for 15-17 credits per term to stay on track to graduate in 4 years.

Track Advising + Career Communities

- Nursing
- Business
- Pre-Law
- Pre-Health
- Dual-Degree Engineering
- Career Community Panel

Track advisors and Pathways hosted live presentations. If your student couldn't attend, recordings of the sessions are available on the Orientation Website.
Goals of Add/Drop/Swap

Students can attend their classes and make adjustments as needed!

Finalize your fall schedule

Find a balance of courses and credits

Aim for a range of 15-17 credits
- 15-17 credits will keep your student on track to graduate in 4 years
- Allows your student to withdraw from a class and maintain the 12 hours required for full-time status
Student Support during A/D/S

Advisors will be available for general assistance with course selection, registration, process, and questions related to academics.

Helping Your Student “Adult”

Messages to enforce
- Registration is a process, not an event.
- Everything will count toward graduation.
- There is no such thing as a perfect schedule.
- You have 4 years to take classes.

Questions to ask
- How do you plan to engage with your OUE advisor?
- Did you fill your shopping cart up with courses?
- How are you going to approach Add/Drop/Swap?
Coming Up Next…

- **July 21**: Housing, Dining & Residence Life
- **July 28**: Move-In & Orientation

The recording will be available on YouTube and our website: college.emory.edu/orientation
